CAPABILITY STATEMENT

WHO WE ARE

HB Company is a U.S.-based Service-Disabled Veteran-Owned Small Business delivering base operations, facility support, construction and renovation, dining and life-support services, and information security to U.S. federal agencies and prime contractors. Our leadership brings combined experience exceeding seventy years in U.S. government contracting, with sustained operational presence across Afghanistan, Iraq, the UAE, Pakistan, Uzbekistan, and Germany. We mobilize cleared, trades-skilled teams into austere environments faster than the larger primes can stand them up.

CORE COMPETENCIES

- Base Operations & Facility Support** — O&M, utilities, mechanical, defect services
- Construction & Renovation** — design-build, vertical, security upgrades
- Dining Facility & Life-Support** — DFAC ops, embassy feeding
- Logistics & Personnel Mobilization** — supply, surge labor, OCONUS standup
- Information Security & IT** — security architecture, M365 / Azure, Sentinel
- Medical Augmentation** — clinician and medic teams for prime task orders

DIFFERENTIATORS

- SDVOSB set-aside eligibility with a leadership team carrying 70+ years of OCONUS contracting experience
- Standing networks of cleared and pre-vetted personnel across the CENTCOM AOR for rapid mobilization
- Native and operational language access in Pashto, Dari, and Arabic
- Direct execution history on long-running U.S. and partner-nation programs valued in the tens of millions of dollars annually
- Lean small-business overhead — the speed-of-deployment teammate primes need to win austere-environment task orders
